RECOVERY NIGHT COMPLEX

COLECIM®
PROFESSIONAL

Instant Relief,

Cool comfort that provides more than relief to stressed skin

TREATS SKIN IMMEDIATELY ON CONTACT:

- Instant relief from redness and sensitivity with Calmosensine
- Hydrates and soothes irritated skin with calming Aloe Vera
- Protects the skin's moisture barrier with Glycerine and Betaine
- Suppresses the skin's inflammatory response with anti-inflammatory proteins including Interleukin-10, found naturally in cord lining stem cell extract

ENHANCES SKIN'S NATURAL HEALING:

- Directs cells to actively recover with potent protein growth factors and cytokines found in cord lining stem cell extract
- Encourages skin restoration with growth factors such as keratinocyte growth factor, naturally found in cord lining stem cell extract
- Mops up environmental oxidative damage with powerful antioxidant Niacinamide
- Optimizes hydration essential for effective healing with stem cell-derived Hyaluronic Acid

RECOVERY NIGHT COMPLEX

- Provides relief to stressed skin
- Ideal as a weekly or bi-weekly skin booster
- To be applied in the evening, worn through the night, and washed off the next morning
- Skin is plumped, hydrated, and rejuvenated with decreased sensitivity.
